**Education Department**

**Gateway Process:**  
**Early Childhood/Mild Intervention Program**

(Revised May 2012)

Saint Mary-of-the-Woods College has a program of selective admission and retention that applies to all students. Students who wish to complete the Early Childhood/Mild Intervention Program in the Education Department must meet the additional requirements of a multi-level assessment system that is based on NAEYC, CEC/DEC, and NCATE standards and Indiana Department of Education regulations. This system is comprised of three major **gateways** that provide opportunities for faculty to formally assess the candidate's capabilities as a prospective teacher and to support the candidate in becoming a competent, caring, professional educator. The following policy and procedures apply to all students seeking a non-license degree in Early Childhood/Mild Intervention: campus, Woods External Degree, and transfer students.

Education Department Placement Policy

The Saint Mary-of-the-Woods College Education Department is committed to both the students of the College and the students and teachers of our partnering schools/agencies. It is our responsibility to ensure that field placements, practica, and student teaching experiences are mutually beneficial to SMWC students and the teachers and students of the school/agencies in which they take place. For these reasons, the faculty of the SMWC Education Department reserves the right to deny a field, practicum, and/or student teaching placement; change a field, practicum, and/or student teaching placement; remove or withdraw a student from a field, practicum, and/or student teaching placement; and or cancel a field, practicum, and/or student teaching placement for the reasons of health, safety, and or professional behaviors.

**GATEWAY 1 - ADMISSION TO THE TEACHER EDUCATION PROGRAM**

Upon admission to SMWC, teacher candidates are eligible to take 100- and 200-level ED courses. To enroll in advanced ED course work (300-level or higher), candidates must be formally admitted to the Early Childhood/Mild Intervention (EC/MI) Program. - b. If competence in Reading, Writing, and/or Math is not evidenced by Praxis I passing scores or composite scores, the student must enroll and receive a grade of B in specific coursework at SMWC that will evidence competence.

It is your responsibility to verify basic competency with documentation.

4. Completion of at least one field experience with documented evidence of professional behaviors, dispositions, values, and attitudes.
